

Baby Umbrella - Chair of Trustees Role Description

About Baby Umbrella

Baby Umbrella is an award-winning small charity offering breastfeeding and early parenting support to families in West Kent. Our vision is for every family in West Kent to have access to skilled and compassionate support during their parenting journey. We are here to listen, support and empower parents to make the decisions that feel right for them and their babies. Our service makes a powerful impact on families right from the start of their journey.

Baby Umbrella was founded in August 2020 and has experienced considerable growth and development in the past 4 years, reaching £100k of income and supporting 1,100 families per year with 1,600 specialist 1-1 appointments and 600 social visits. We were recognised in 2022 as the Kent Charity Awards Start-up Charity of the Year, and in 2023 and 2024 we were Highly Commended in the Kent Wellbeing Awards.

The next 3-5 years will see us entering a new phase, that of investment in our charity's core systems and processes to further drive our income and enable us to bring services into additional parts of our community. We are committed to listening to all parts of our community and being creative about how to deliver the support they need from us.

We are single minded in our determination to support all local families and we are now looking for a special person to join us as our Chair of Trustees and help us deliver this next phase when our current Chair's term ends in September.
